Replacement Sheet

The screenshot shows a software window titled "Delphi-ISS O2 Sensor Test". Inside the window, the text "Vehicle O2 Sensor Information" is displayed, followed by "Bank 1-Sensor 1 Equipped". Below this, there is a section titled "Test Options" which contains three radio button options: "Test O2 Sensor Bank 1 Sensor 1" (which is selected), "Test O2 Sensor Bank 2 Sensor 1", and "Test Both Pre Catalyst O2 Sensors". At the bottom of the window, there are two buttons: "Cancel" and "Continue".
